

Q&A

Social Cohesion Research Grants Round 3

As a lead researcher, do I need to be a member of the Research Institute on Social Cohesion (RIOSCI) to apply?

Yes, as the lead researcher, you need to be a member of RIOSCI to be eligible to apply for the research grants. Your research team members do not need to be members of RIOSCI but are strongly encouraged to apply.

If I am based nationally or internationally can I apply for the research grants?

No, you will need to partner with a Victorian based RIOSCI member to be eligible to apply for the research grants. The Victorian based RIOSCI member will need to be the lead researcher on the application.

If I am based nationally or internationally can I apply for membership of RIOSCI?

Yes, you can apply to be an associate member of RIOSCI to be connected to shared resources, information and events. However, you will still not be eligible to apply for the research grants.

Can I be a lead researcher on more than one application?

No, you are only able to be a lead researcher on one application.

Can I be listed as part of research teams on more than one application?

Yes, you can be listed as part of more than one research team. There is no limit to the number of research teams you can be listed in.

Can I be listed as a lead researcher on one application as well as be listed in the research teams of other applications?

Yes, you can be listed as the lead researcher on one application and be listed on other applications as part of the research team.

As a lead researcher, can I form a partnership with a for-profit organisation?

Yes, you are able to partner with a for-profit organisation, non-for-profit organisation, government agency, community organisation and/or other research institution.

Can I see the application form before logging in to the online portal?

Yes. At the bottom of page 1 of the application form, there is a 'View as PDF' button. You can access a PDF of the application form by clicking on this button. You may need to enable pop ups on your web page settings so the PDF can be downloaded.
